

On behalf of the Saladino Baseball Tournament, I would like to invite you to partner with us in raising funds for the Hillsborough Education Foundation (HEF)/Saladino Baseball Tournament thru our annual charity golf tournament. The Saladino Baseball Tournament was established in 1981 as a memorial for Tony Saladino, Sr., and, to promote high school baseball in Hillsborough County.

Annually, since 1981, during the Hillsborough County, Florida public school spring break, we have provided a high school baseball tournament. This years tournament will be the 30th anniversary and will be headquartered at Brandon high school with additional games played at several other high schools in the area. The tournament will be held between April 10 – 16, 2010.

The tournament started with 11 public schools and has grown into a current 28-team event including all Hillsborough County public schools.

The tournament account is in the custody of the Hillsborough County Education Foundation and there are no entry fees associated with the event. All proceeds from gate receipts, sponsor donations, and contributions are deposited into the tournaments Hillsborough Education Foundation trust fund. Proceeds from the concessions at the sites go to the host schools.

The cost of the tournament has grown to approximately \$20,000 annually and is dependent on donations from the local community.

The Saladino Golf Scramble provides an opportunity for supporters of the baseball tournament (coaches, parents, family and friends) to gather together to promote and raise funds for the baseball tournament.

This year's golf scramble will be held on April 11, 2010 at the Emerald Greens Golf Resort & Country Club. We invite you to play or participate in our fundraising efforts in any way possible,

In keeping with a consistent commitment, the tournament always strives for excellence through a continuous quest of contributing to the growth and development of the educational environment and youth sports. Your attendance during the week is admired and appreciated, but, more importantly, we appreciate your support of the youth in Hillsborough County, as we continue to strive for excellence, devotion, and dedication in education (and, in baseball!!)

We also feel good about keeping our high school baseball players and some of their friends busy, close to home, out of mischief and out of trouble during their spring break.

May your visit with us be safe, fun, enjoyable, nostalgic, rewarding, patriotic, and educational. We welcome your comments and/or suggestions, and we seek your continued support!

We welcome everyone's participation and support.

Our goal: making friends, memories, and, caring and responsible citizens: one inning at a time!

Educationally yours, for kids' sake,

Bertha & Tony Saladino
